

**Note:** The opinion piece in the Dec. 8, 2007 *Tallahassee Democrat* that appeared under Jack Fiorito's name, "FSU shows its priorities in coaches' salaries," was a group effort. Several FSU faculty members contributed to its writing, including some of those named below. The following agreed to appear on this list of co-signers who "substantially agreed" with the essay's sentiments. They do not necessarily agree with all of it.
