

**United Faculty of Florida - Political Action Committee**  
118 North Monroe St. Tallahassee, FL 32301

Dear Colleague:

As a member of UFF, you are committed to your profession and astute about the external changes including assaults on faculty autonomy.

What the Florida Legislature does and what kinds of officials we elect to govern this state have a marked effect on how you do your work on campus. Access to legislators means having the faculty perspective heard on issues that matter to you. But advocacy means money: Campaign contributions encourage good people to run for office and provide an open door once they are elected. Term limits provide further opportunities to encourage new candidates or to assist knowledgeable experienced legislators as they run for a different office.

We're asking you to help by donating \$1.00 per pay period (or \$26.00 per year) to the Political Action Committee of United Faculty of Florida. Because we cannot and do not use dues for any political activity, your contribution makes a difference in how effective we are during the legislative session.

Please join UFF's Political Action Committee by filling in the form and sending it today.

In solidarity,

*Tom Auxter*
